

URGE EXTENSION OF RIVER TRADE

Merchants Want Better Service to Alexandria And Deeper Channel.

Upbuilding of riverside industry, more frequent boat trips, between Washington and Alexandria, and the deepening of the channel, constitute needed improvement measures between the two cities, planned by representatives of the Merchants and Manufacturers Association, the Washington Chamber of Commerce and the Board of Trade, at a meeting in the Board of Trade's rooms yesterday afternoon. Robert L. Payne, former president of the Alexandria Chamber of Commerce, was elected chairman of the joint committee.

Capt. William E. Luokett, pilot of a navy yard yacht, urged the deepening of the channel as a naval measure. By deepening the channel freight lighters could be sent direct down the river to the naval base at Yorktown or Norfolk.

TEAMSTER'S LIFE SAVED

Writes Letter That Is Worth Reading Very Carefully.

Peterson Ointment Co., Inc., Buffalo, N. Y.: I was afflicted with a very severe sore on my leg for years. I am a teamster. I tried all medicines and salves, but without success. I tried doctors, but they failed to cure me. I couldn't sleep for many nights from pain. Doctors said I could not live for more than two years. Finally Peterson's Ointment was recommended to me and by its use the sore was entirely healed. Thankful, yours, William Haase, West Park, Ohio, March 22, 1919, care P. O. Reitz, Box 19.

Peterson says: "I am proud of the above letter and have hundreds of others that tell of wonderful cures of eczema, piles and skin diseases." Peterson's Ointment is 25 cents at all druggists, and there isn't a brand-named druggist in America that won't praise it.—Adv.

MOTHERS TO BE

Should Read Mrs. Monahan's Letter Published by Her Permission.

Mitchell, Ind.—"Lydia E. Pinkham's Vegetable Compound helped me so much during the time I was looking forward to the coming of my little one that I am recommending it to all expectant mothers. Before taking it, some days I suffered with neuralgia so badly that I thought I could not live, but after taking three bottles of Lydia E. Pinkham's Vegetable Compound I was entirely relieved of neuralgia. I had gained in strength and was able to go around and do all my housework. My baby when seven months old weighed 19 pounds and I feel better than I have for a long time. I never had any medicine do me so much good."—Mrs. PEARL MONAHAN, Mitchell, Ind.

Good health during maternity is a most important factor to both mother and child, and many letters have been received by the Lydia E. Pinkham Medicine Co., Lynn, Mass., telling of health restored during this trying period by the use of Lydia E. Pinkham's Vegetable Compound.

Acid-Stomach Now Quickly Relieved

Those painful attacks of indigestion, heart-burn, belching, disgusting food-repeating; that puffy bloated, lumpy feeling after eating; dyspepsia and stomach miseries—all point to just one awful American disease—commonly known as ACID-STOMACH.

Fortunately there has been discovered a wonderful modern remedy—called EATONIC—that brings instant relief from all these stomach miseries because it absorbs the hurtful excess acid in the stomach and drives out the blast and gas. You won't know you have a stomach, so free of pain you'll feel. Besides, it saves you from more serious ailments because it is a scientific fact that ACID-STOMACH frequently creates conditions which baffle the best medical skill. Many cases of chronic stomach trouble, biliousness, severe headache, general weakness, rheumatism, gout, lumbago, intestinal ulcer, cancer of the stomach, heart pains and even
